Robbinston Stories from the Past

Come join friends for an afternoon of storytelling and
laughter. We want to make sure we have the best stories
from the 30's, 40's, and 50's in the archives. The
gathering, with refreshments, starts at 2:00. Bring a
friend and add your stories to Robbinston's history.

Robbinston Historical Society News

Appreciation

The historical society is very grateful to the community for approving an annual contribution through the town warrant to help support the community activities that happen each year including Robbinston Days. Thank you!

Grace Chapel

Thanks to Vaughn Pottle, Earl Stanhope and Brett Markovich, the next phase of the Grace Chapel restoration is underway. Thanks to grants we received, the foundation work is complete, and the carriage portico will be back in place soon. Then the next four phases begin: restoring or replacing any decaying outside wood; prep for painting; window restoration; and the final painting of the whole building. It will be a long journey and our fingers are crossed that we will find the additional funds needed to save this historical chapel for generations to come.

Grace Chapel Silent Prayer & Reflection

Beginning on **Friday June 7**, Grace Chapel will be open every Friday morning through September to provide a space for individual silent prayer and reflection time. Arrive anytime between 8:00-9:00 am. The chapel is a lovely space to find a bit of calm in our day.

Zazen Practice

If you are interested in exploring a Zen-based silent meditation practice, please join the group on the first Sunday of the month at the visitors' center. Each session runs from 1:00 – 2:30. The summer dates are June 2, July 7, August 4 and September 1. *Please contact Dawn Loper for more information.* rfdbox503@gmail.com

What's in your Attic?

We are very curious about what documents, photos, letters you might have stored away in a closet or the attic that will reveal Robbinston's history. Please consider a temporary loan to us. We will organize and scan them for you – keeping a copy for the history center's archives and returning the originals and a flash drive for your use. Individual times can be arranged to drop materials off at the history center. Contact *Louise Beaulieu* at 454-2217 to arrange a time.

**Please consider a gift to the
