

ALEXANDER.

Michael Cavanaugh has returned home.

Miss Grace Wallace of Crawford, is visiting Mrs. Charles Brown.

Morrill Perkins has sold his farm to his brother, Earle Perkins.

Henry Brown has finished his contract for wood at the Grange hall.

Oscar West has returned from the woods and is at his home at Earle Varnum's.

Alden Perkins has returned home from Princeton.

Church circle was held last week in grange hall with a large attendance.

Vernon Perkins is going to Baileyville to work for Howard Carlow.

Mr. Howard Perkins of Milo, is visiting his parents, Mr. and Mrs. John James Perkins.

Fred Brown and Theodore Scribner are going on a pleasure trip to Boston, next week.

Dwelleys mill is going to saw laths this spring.

The many friends of Miss Ollie Dwelleys were very much pleased to see her out again.

S. H. Brown has just completed a cemetery curbing contract for Mr. John Sprague of Calais, to be placed in the Alexander cemetery.

The grange held a special meeting Friday evening. The call was installation of officers, entertainment, and was open to the public. The audience numbered about 300.

MARION.

Almond Ireland of Cooper, was in town on business Monday.

Dallas Preston is reported somewhat better this week.

ROBBINSON.

It was Installation night at Robbinston grange on Friday, Jan. 28, and instead of the regular meeting, friends who had previously been invited to do so, witnessed the installing of the following officers by Deputy F. P. Washburn of Perry, assisted by Mrs. Washburn:

Master,	Ernest C. Brown
Overseer,	James Maloney
Lecturer,	Mrs. Mabel Gray
Steward,	Maurice Davis
Asst. Steward,	Oscar Allen
Chaplain,	Mrs. Maurice Davis
Treasurer,	Nelson Davis
Secretary,	Eugene Hume
Gate-Keeper,	Channey Brooks
Ceres,	Mrs. Rebecca Lodge
Flora,	Mrs. Nelson Davis
Pomona,	Miss Evelyn Morrell
Lady Asst. Steward,	Gladys Greenlaw

A good program was presented by the Lecturer, consisting of music by the grange, a hearty address of welcome, ably delivered by Worthy Master Brown. A paper on school training by William Cullen, principal of Red Beach High school, was highly appreciated. A dramatic reading by Mrs. Mabel Smith, accompanied by Eola Smith. A vocal duet by Mrs. Mary Mingo, and Miss Gladys Mingo was rendered in a very pleasing manner. Maurice Davis, violin, accompanied by Mrs. Mingo, responded to an encore. Recitations were given by Oscar Allen and Harold Ross, and several selections on the phonograph were enjoyed. The entertainment closed with refreshments and all enjoyed a very pleasant evening.

Her Little Bird.

"Ethel," said Lionel Bertram Jones as he dropped his slice of bread in the plate with a noise that set the canary in the gilt cage overhead chirping merrily—"Ethel, I have something to say to you."

LOCAL AND GENERAL

AROUND THE UNION.

During the storm early Monday morning, lightning struck the Congregational church, Robbinston, and it was burned to the ground. The structure cannot be replaced for \$3500. There was no insurance.

At Trinity church on Monday evening Right Rev. Bishop Richardson of Fredericton will hold a confirmation service and preach. On Tuesday evening he will preach at Christ church at eight o'clock and will also administer the rite of confirmation.

John Marrs was before Recorder J. M. Beckett in the Municipal Court Thursday, charged with stealing a horse from Philip Gordon. He pleaded guilty and was held in \$300 bonds for the October term of court, and failing to furnish same was taken to Machias.

The thunder and lightning during the storm Sunday night and Monday morning was the heaviest suffered in this region for years, and caused an unusual amount of damage. The house of James Grover on Germain street was struck near the chimney, the current tearing a hole in the roof and knocking the plaster off the ceiling in the parlor. Mr. Grover was shocked and rendered insensible, but fortunately recovered in a few moments, none the worse for his experience. A few clapboards were torn from the John Busby house in Milltown, N. B., and an unoccupied house owned by Thos. Toal, in the Cove, St. Stephen, was somewhat damaged. A tree in front of Robt. Bell's house was struck, and there were several other minor damages.

At the meeting of the stockholders of the Thurrell-Batchelder Shoe Co., Thursday, a committee, consisting of Messrs. W. A. Murchie, F. N. Beckett and D. E. Stone, was appointed to see

About 3000 people gathered at the St. Stephen Driving Park on Dominion Day to see the great ball game between Calais and the St. Stephen Thistles. Perhaps, on consideration, we rather should say that about 2900 people gathered to see the ball game and 100 went to see the horse trot which it is said was held. We said the St. Stephen Thistles. Well, let it go at that. They call themselves Thistles and they ought to know. Somebody who could count, said he tried it by addition, subtraction and multiplication and the best he could do he could only find three Thistles. However, don't think Calais didn't know what they were up against. And although they didn't win the game, they put up such a game of ball as caused the professionals from New Bedford to own up that that they were the best amateur players that they were ever up against. At the conclusion of the game the score stood two to nothing in favor of the Thistles. Without doubt it was the fastest and best played here for some time, and only for the one error made by Calais, an extra inning would have had to be played. A return game scheduled for July the 4th had to be cancelled on account of the wet weather on that day. It is said that some hard feeling has been caused by the action of the Thistle ball team in going away from home to secure professional players. It is not fair to the young men of St. Stephen, because there are lots of good ball players among the young fellows of that town, and even if they couldn't raise a nine to beat Calais, they still could have a good amateur team. No, the fact of the matter is, their one and only object was to get a nine to beat Calais. And they did. But the game is young, very young, and they who laugh last, laugh best sometimes. The line up and summary follows:

LOCAL AND GENERAL

Burglars broke into the general store of Mr. James Ross, South Robbinston, one night last week, and, forcing open the safe and the cash drawer, secured some \$400.

The beautiful snow looked much prettier Saturday to the man who gazed upon it through the window of his warm parlor than it did to the man obliged to stand all night at the wheel of some schooner beating to and fro off the coast.

The F. E. B. club have issued invitations to a benefit dance, to be held at Young's hall, Feby. 8th. Ice cream and cake will be served throughout the evening, and an oyster supper will be provided at Goode's restaurant at intermission. Dawson's full orchestra will furnish music.

On the recommendation of the Postmaster General the House post-office committee has inserted in the Postoffice Appropriation bill a provision that after Dec. 31 next, delivery of mail by city letter carriers shall only be made at such residences and places of business as have placed at a convenient part of the premises, near the door of entrances, suitable boxes or receptacles for mail matter. The postoffice authorities assert that the government is losing more than \$1,000,000 every year by the politeness of mail carriers. They now have to ring at the front doors and wait the convenience of the householder or servant in responding, often losing several minutes.

An examination of State teachers' certificates held at the Normal School February 24th.

Alderman J. S. Mc misfortune to fall on the day, dislocating his left leg, was taken to the Hospital where he received the surgical attention.

On the 18th of the month will occur the one hundredth anniversary of the incorporation of the Town of Robbinston. It was granted by Massachusetts brothers, E. H. and N. for whom it was named, was settled a couple of years. It was incorporated February 1811. In 1860 the population of 1113, and valuation of \$124,632. to the 1900 census the population had dwindled to 844, but the property valuation had increased to \$156,673.

On Friday evening the St Stephen business club debated the question, "Reciprocity with the United States would be beneficial to Maine." The affirmative side of the question was spoken for by Euger Frank Higgins and John Harry Gibson, Bernard and many others supported the negative side. The committee favor of the negative. A feature of the evening was by Misses Marion Straghn Cleland. Ice cream, cake were served.

After the heavy rains of the past week the crops around are looking up. The rain came just in time to save the hay crop.

Every body around town seems to have a cold, which is epidemic. Mr. Lester Brooks, Mr. R. E. Gates, and Mrs. H. P. Gates have had it the past week, but are feeling better at this writing.

Early Monday morning a large bull moose was seen at the foot of H. P. Gates field, about two hundred yards from the house. The family all came out on the piazzia and watched the huge creature go slowly up cross the pasture out of sight.

Sunday, June 18th, the members of court Pulpit Rock, I. O. F., marched to church in a body, but owing to a heavy shower there was not as good an attendance as usual.

On Sunday, July 2nd at 2 o'clock p. m. the Rev. C. C. Whidden will preach to the members of Nasahick tribe. No. 85, I. O. R. M., at the First Congregational Church at Robbinston. A full attendance is desired.

Mr. Ralph E. Gates has been spending the past month with his parents, Mr. and Mrs. H. P. Gates, West District. Mr. Gates passed the winter in Jamacia, where he was employed doing steam work on the new hotel Titchfield at Port Antonio.

Mr. Danial Sullivan of Dover, N. H., is visiting frienes in town.

Mr. E. C. Brown, the R. F. D. driver, has procured a new auto to be used in delivering the mail.

CARD OF THANKS.—We wish to thank our neighbors and friends for kindness and sympathy shown in our late bereavement, also the singers and for the beautiful floral offerings.

The Rev. J. Cromwell Hughes, B. A.,
read his letter of resignation as pastor
of the Second Baptist Church, last Sun-
day, at the close of the morning service.
He has accepted a call to the Immanuel
Baptist Church of Boston, Mass. He
will preach his farewell sermons on
Sunday, Sept. 21st. Mr. Hughes has
accomplished much good work in both
this church and in the community, and
his departure will be a source of regret
to all, regardless of denominational
lines.

Stephen H. Diffin of Robbinston, 18
years of age, was drowned at Red
Beach yesterday morning. He with
two other young men about the same
age, made a wager as to which of them,
with a chew of tobacco in his mouth,
could stay under water the longest.
Diffin it is supposed strangled before he
struck the water. At any rate, in go-
ing down after their dive, he gripped
one of his companions by the arm, who
had hard work to wrench himself clear.
Diffin not rising to the surface, the
alarm was given and the body was re-
covered.

The annual meeting of Willard Union,
W. C. T. U., which was to have been
held with Mrs. Frank Davis, was post-
poned on account of the absence of the
president, Mrs. W. S. McKellar, but
the regular meeting will be held Mon-
day next at the home of Mrs. E. M.
Jewett, Germain Street, when delegates
to the State convention will be selected.
The convention this year will be in
Rumford, Oct. 17 to 19, and promises
to be of more than usual interest.
Some of the brightest women of the
organization will speak. A large gath-
ering of the White Ribboners of Maine
are expected. The annual meeting will
be held later, due notice will be given.

Mrs. Austin Robinson of Robbinston, was the victim of a most unfortunate and painful accident Saturday. Mr. and Mrs. Robinson were out hunting in the vicinity of their home. On coming to a stone wall, the husband placed his gun, a 32-calibre rifle, against the wall and leaped over. Mr. Robinson then went on a few paces in advance, leaving his gun at the wall. A report followed by a scream recalled him and hurrying back he found his wife lying on the ground, blood gushing out from a wound in her hip. She was hurried to the Chipman Hospital, where she is resting as comfortably as could be expected. though her condition is most critical. Mrs. Robinson was formerly Miss Carrie Gilmore of Calais.

A commercial traveler who was in Lewiston today says: "The State is in a singular condition. Portland, Bath, Skowhegan and Lewiston are dry, but Rockland, Calais, Eastport, Bangor, Millinocket are wet—and there were wet spots in Kennebec a while ago—but how it is now, I don't know." Whatever happens, real Progressives should vote in Sagadahoc and elsewhere for sheriffs who have made good.—Lewiston Journal.

ROBBINSONTON

This last week the village lost one of its oldest residents by the death of Mrs. James Loughlin, who passed away Feb. 6th. Mrs. Loughlin came to Robbinston from Nova Scotia, when a child, and has lived in the same locality ever since, with the exception of occasional winters spent with her children in Portland. Here were born and grew up her six children, of whom five survive her: Mrs. Emma Hall, Portland; Miss Ella, who has resided here with her mother; Stephen, Port Clyde; Arthur and Harry, Portland. In 1865 she joined the Congregational Church. She had been a member fifty-two years at the time of her death and was its oldest member. While a great lover of her own home and not much given to being away from it, yet she had so much kindness of heart, good common sense, and so sweet a christian spirit, that she was greatly beloved by her friends and neighbors. In her last sickness they showed their appreciation and love in their readiness to care for her and to help in many practical acts of service. The funeral services were fittingly held in the church of which she had so many years been a member, and were conducted by the pastor, Miss Frances Walkely. Two sons and one daughter were present with many of her friends to pay tribute of whom it might well be said in the words of John, "Blessed are the dead that die in the Lord, they do rest from their labors, and their works do follow them."

In ye Meeting House in Robbinston Village, ye 22nd day of February, ye matrons of ye town will hold a supper in memory of ye first President of ye United States George Washington. At that time, ye people of ye town will don ye costume of ye olden time. All ye men and women will bring ye shilling (25c) to pay for ye feast. If ye have no pocket, tie in ye corner of ye handkerchief. Ye guests will be welcomed by ye patronesses Mrs. James Lamb, Miss Edith Gerry and Miss Frances Walkely. Ye good time will be enjoyed by all who come.

The Camp Fire will meet Saturday P. M. with Miss Frances Walkely, if the weather is suitable.

Mr. John Brown has returned to his home, after an absence of some weeks.

Much to the satisfaction of every-
one the weather, which had been bad
all day, cleared away in time for
the celebration of the Children's Day
service which was a success in every
way. The service opened with a pro-
cessional. The boys, in Puritan
costume, led the way carrying flags
and pine branches. They were fol-
lowed by the young ladies with
candles and the junior girls. The
opening songs and service with all
on the stage were most effective.
This was followed by a dialogue call-
ed "The Children of the Pilgrims"
and was rendered by Annie Gerry
(Betty Aldin), Bertha Robinson,
(Peregrine White) and Edward
Ingersol (Love Brewster). The
children seemed perfectly at home
upon the stage. There were two
quaint recitations from the old New
England Primer, the Ten Command-
ments by George Stanhope, and
another by Muriel Flagg, Grace
Johnson, Alice Blackwood and George
Stanhope. Mary Newton made a
plea for the Puritan Mothers and
Delilah Johnson and Corena Black-
wood showed the contrast between
the olden days and these, Corena in
the quaint Puritan dress and Delilah
as a present day Pilgrim. Especial-
ly cunning were the two tiny tots
as they recited a little prayer with
appropriate motions. The Junior
girls gave an exercise and song.
Much help was given by the choir
and orchestra. All enjoyed the solo
by Miss Beatrice Fisher, "Hark,
Hark, my Soul," with response by
the choir. Three members of the
school received the reward for com-
mitting five chapters in the Bible to
memory. Corena Blackwood had
learned ten Psalms and received a
Testament and a book of Psalms,
Evelyn McDonald a life of Christ,
and Eleanor Newton a book of
Psalms.

They were not orphans, but were taken away from their mothers or grandmothers. It is not bear to part with them so they were placed where it is possible to visit them frequently.

The organization has a list of four hundred children under twelve years of age who are wounded. Some are in arms, others their suffering from brain injury, anaemia under which they waste away.

They are the victims of the ruthless warfare," said the French hospital, a French nurse in the uniform of the Red Cross. "There is no more war than to kill little victims, who do not enjoy life as other children are mere shadows. It is difficult to make them tremble and we are or sudden movements are always gentle with these children. Their special gentleness, as in handling something in the most delicate manner.

Infants, a five-year old child, been rendered dumb, showed no improvement after he had been in the hospital seven weeks. Then he opened his eyes after said with a twisted smile, "It is—very like—it."

What encourage the fact are many sadder cases whose wounds have proved fatal, patients, whose effort grow steadily who are gradually recovering and whom

and Eleanor Newton a book of Psalms.

A number of people gathered at the home of Mrs. Lucy Harvell at Robbinston on Saturday afternoon last to witness the raising of a large American flag. A new flag pole forty-one feet in length had been erected by her son, Lincoln. The flag was borne from the house to the pole by Master Vernon Harvell and little Miss Doris Talbot, daughter of Mr. and Mrs. Allan Talbot of St. Stephen. While singing the National hymn Old Glory was hoisted and flung to the breeze by Master Perm Harvell, after which several patriotic airs were sung by those present, the accompanist being Mrs. Allan Talbot, who has been spending the week end with Mrs. Harvell. Refreshments were served by the Misses Marjorie and Lucy Harvell and a pleasant time was spent afterward with music, games and needlework.

Mr. and Mrs. Edmund Gayton were in town Friday evening to attend the graduation of the Red Beach High School, Mrs. Gayton's sister, Miss Marjorie Harvell, being one of the graduates.

Miss Helen Foster, of Boston, who is summering at St. Andrews, has been spending a few days with her friend, Mrs. Lucy Harvell.

Those who attended the graduation exercises at Red Beach on Friday evening were greatly pleased with the programme and were loud in their praises of the dance which followed.

Mr. John Smith of Deer Island is spending a few days here with friends.

Mrs. Edith Greene is soon to leave for Boston, where she will visit friends for several weeks.

Dan Gayton of Milltown spent the week-end with his friend, Lincoln Harvell at Hillside Farm.

Prof. Frank Johnson and Mrs. Johnson of Chicago are at their summer home here and are being warmly welcomed by their many friends.

Mr. Leslie Cook of Red Beach is again able to be out after being laid up for some time with rheumatism, and spent the week-end at Hillside Farm.

ROBBINSON

(Received too late for last week)

The streets of the village were busy with autos, teams and people on Sunday and many cottages have opened for the summer and all we need now is for the weather man to send along some fine weather to make us all feel normal.

Mr. and Mrs. George Newton and family spent Sunday with friends at Red Beach.

Mr. and Mrs. Ralph Agnew and son James of Lubec spent Sunday with relatives at the Beach.

A boating party of young men from St. Andrews were in town Sunday and spent several hours calling on friends.

Mr. Hazen McDowell of St. Andrews was the over Sunday guest of his friend, Lincoln Harvell.

Several from here made the trip to Eastport on the Sunday excursion and all report a jolly good time and lots of "good" music.

The "Night Hawks" were greeted with a full house at their concert and dance and everybody was well satisfied and hope to have them again in the near future.

Miss Katherine Harvell, who is attending Normal School at Machias, arrived home Friday, accompanied by two of her school mates, Miss Florence Gardner, one of the 1917 graduates and Miss Emma Mallar, both of Machias, and spent the weekend at Hillside Farm. On Monday the three young ladies, and Miss Marjorie Harvell left by boat for St. Andrews, N. B., where they will spend the summer.

Mr. and Mrs. W. E. Mann were calling on friends here Sunday.

Miss Edith Poor, who graduated from Washington State Normal School at Machias last week, is spending the summer with her parents, Mr. and Mrs. Henry Poor.

Mr. and Mrs. Sidney Thomas and son, Paul, of Calais, spent Monday and Tuesday with Mrs. Mary Agnew at Red Beach.

Mrs. Lucy Harvell entertained with a veranda party on Sunday, guests from Calais, St. Stephen, St. Andrews and Machias being present. A pleasant time was spent with singing and conversation. Refreshments of ice cream and cake were served by the hostess and just before leaving for their different homes the party sang "God be with you till we meet again" and are looking forward to another visit to "Hillside Farm."

Mr. Willard Blackwood we regret to say is still in poor health at his home on the river road.

Miss Lucy Harvell is spending a few weeks with her sister, Mrs. G. E. Gayton in Milltown.

Work at the sardine factories has been very good for several days and the rest of the season is hoped to be a busy one.

Dan Gayton is spending the week here at Hillside Farm.

Miss Fanny Bell and Master Bobbie Bell of Canoose were the weekend guests of Mrs. Edythe Greene.

ROBBINSTON

The first regular meeting of the
Robbinston Red Cross was a decided
success both as to numbers and work
accomplished. One dozen hospital
shirts are nearly completed. There
ere now 18 members and more com-
ing in at the next meeting. This
Society has nothing whatever to do
with the church, being strictly un-
denominational. But the vestry was
selected as the best place for a "Red
Cross Shop," because of right sani-
itary conditions and because it
seemed to be the only place where
work and borrowed machines could
be kept safely. The room has been
thoroughly cleaned and put in
order, as the utmost care is used as
to right conditions in all Red Cross
work. Meetings are held every Wed-
nesday P. M.

On last Saturday a food sale was
held for the purpose of getting
money for the purchase of supplies
for the Red Cross. There was a
most cordial response made by all
the people of the community both
in the giving of food and buying it.
Nearly every person who was in a
position to do so, contributed food
and all of a fine quality. The room
was prettily decorated. The result
in money was better than anticipat-
ed, being about \$20.00.

The canning demonstration by one
of the State workers was of great
interest to all housekeepers, beet
greens, cabbage and rhubarb being
canned. The lecturer showed great
presence of mind, in her ability to
keep talking in a logical way while
she kept watch of three different
sorts of canning. She gave many
suggestions of practical and easy
ways of doing work of this sort.

In spite of the fact that every
afternoon nearly had some meeting,
yet there was a full attendance at
the Ladies' Aid with Mrs. Pretisss
Vose. The tea with delicious sand-
wiches, cake, etc., was much appreci-
ated after the busy afternoon.

It is of special interest that so
many town boys have answered the
country's call for volunteers at this

There are now with Company I., Mel- vin McNutt, Horace Johnson, Foster Cawley, John Gardner, Chauncey Brooks, Lewis Brooks, Roy Camp- bell, Franklin Leonard, David Shar- man and William Campbell, the last two mentioned having been promot- ed to the rank of corporal. David Sharman has seen service on the Mex- ican Border and William Campbell served four years in the navy being in Vera Cruz during its occupation by U. S. Marine troops. Chauncy and Roy Brooks are brothers, sons of the late Joshua Brooks, a veteran of the Civil War. Melvin McNutt's father was a member of the G. A. R., while Horace Johnson comes of soldier stock on both sides. His grandfathers were the late George E. Johnson and John McNutt. Enlisted in the navy are Warren Robinson and Adelbert Leonard. The latter is on the battleship Minnesota, some- where at sea. When the call came Warren Robinson was in Boston, where he had been employed during the winter studying wireless telegra- phy. As soon as he enlisted he was sent to the Radio School at Harvard; in less than two months he passed the required examination, was placed as wireless operator on the patrol cruiser Chester, but is now on the battleship Georgia. Warren is the only son of Mr. and Mrs. Albion Rob- inson and is only twenty years old. The Leonard boys for a number of years were members of the James Lamb family. More than a year ago John Ayer and Harry Bearman went overseas with the Canadian Pioneer Corps. They are now in France. Harry is on guard duty. And yet with all the present day vital inter- ests there is time to think of those who served in the last great conflict and answer to the roll call as below: Ebenezer Harlow, Samuel Seeley, Humphrey Gates, Joseph Hinton, Prentiss Vose, Harrison Hume, George Goodwin and John Lyons.

The bazaar held in the Town Hall
last Friday evening by the Ladies'
Aid Society was a decided success in
spite of the bad weather. The hall
was prettily decorated and the booths
along each side most attractive,
especially the ice cream booth in
yellow and white, presided over by
Mrs. Stephen Cox and Mrs. Seth
Gerry, and the corner booth trimmed
in bunch berries at which most de-
licious sandwiches were served by
Mrs. Mina Hunt and Miss Annie
Lamb, with coffee by Mrs. Poor.
There was a large table of food,
another of vegetables and a fine ar-
ray of aprons and fancy work.
Nearly everything was sold and about
\$60.00 realized.

On next Tuesday evening, Sept.
4, at the Town Hall, the little play,
"The Sleeping Princess," will be pro-
duced by the children for the benefit
of the Red Cross. Much time has
been given in preparation and the
acting will do credit to the work.
The following is the case of charac-
ters: King, Stuart Blackwood;
Queen, Alice Goodwin; Princess, Au-
nie Gerry; Baby Princess, Geneva
Holmes; Prince, Bert Dall; Nurse to
Princess, Corena Blackwood; Dame
Flaxon, Helen Cox; Dr. Pillwise,
Frank Morell; Old Man of Forest,
Francis Holmes; Guard, Lockwood
Burpee; Page, John Holmes; Green
Dwarf, Georgie Stanhope; Evil Fairy,
Eleanor Goodwin; Fairies, Mary New-
ton, Deilla Johnson, Bertha Robin-
son, Mary Holmes, Minnie Burpee,
Mildora Burpee. There will also be
music by Miss Edith Kennedy and
other attractive features. At the
close ice cream will be served and a
social time enjoyed.

A most delightful linen shower
was given to Miss Lenora Harvell
by the members of her Sunday School
class, at the home of Miss Evelyn
McDonald, last Tuesday. The gifts
were pretty and appropriate and were
finally discovered by the recipient
at the end of a cobweb of string.
The evening was much enjoyed by
all.

A quiet home wedding took place
last Saturday at the Harvell home-
stead, when Miss Lenora Harvell
and Mr. Ernest Brown became man
and wife. They are both great fav-
orites in the town and all unite in
wishing them happiness. The honey-
moon will be spent in an auto trip
to various interesting places in
Maine.

W. C. T. U. NOTES

This September the St. Croix val-
ley will be invaded by the greatest
number of white ribbon workers that
ever assembled on the border. New
Brunswick and Prince Edward Island
will meet in their convention at St.
Stephen, while the Maine W. C. T.
U. will convene in Calais the same
dates, September 19, 20 and 21.
After the Fair is over, the committees
will commence their work and we are
in hopes every citizen will feel a
personal responsibility in making
this one of the very best conventions
held by this honored organization.

ROBBINSTON

The children's acting in the play,
"The Sleeping Princess," has re-
ceived many words of commendation
since it took place, last week Tues-
day. The stage was prettily arrang-
ed for the different scenes, first as
a garden with trees and flowers,
then as a room in Dame Flaxon's
cottage, last as a room in the palace.
The whole play passed off smoothly
and the parts were all well done,
showing the patient work of the
committee, Miss Alice Poor, chair-
man. The most difficult parts were
those of the King and Queen, Alice
Goodwin and Stuart Blackwood, but
both were well learned and acted.
In nearly every scene a charming
little Page (John Holmes) in a pale
blue page's suit, and a soldier-like
guard, (Lockwood Burpee) added
much to the picturesque of the set-
ting, as did also the Green Dwarf
(George Stanhope) in his green suit
and peaked cap. The Baby Princess
(Geneva Holmes) was very sweet
and said, "Googly-ogly-oo" as nat-
urally as any real baby, while the
court nurse (Corena Blackwood)
was most dignified and matronly.
The scenes where the six fairies ap-
peared, all dressed alike and with
dainty white wings, were very pret-
ty, especially the two little dances;
while the Evil Fairy (Eleanor Good-
win) was as spiteful as any naughty
fairy could be. She was in black
with black wings. One of the most
charming and well acted of all, was
the visit of the Princess, as a young
girl, (Eleanor Gerry) to the cottage
of Dame Flaxon (Helen Cox.) The
Princess was delightful in the nat-
uralness of her acting, while Dame
Flaxon was a typical old lady.
Frank Morrell as the court physician
was quite the scholarly doctor. The
dialogue between the Prince (Bert
Dall) in a green hunting suit and
the Old Man of the Forest (Frances
Holmes) was another part unusu-
ally well done. The closing scene
where the Prince finds all asleep,
was especially hard, for it required
much self-control to stay asleep
while the Prince dusted faces and
made uncomplimentary remarks.
The charming little princess wakes
to the delightful fact that her dream
of the Prince has come true and the
play closed with an effective tableau,
as the King gives his blessing. Be-
tween the scenes and afterward
there was most enjoyable music by
Miss Edith Kennedy and George
Blabon. There were also four very
effective war tableaux: First, Miss
Evelyn McDonald as a Red Cross
nurse with a soldier and sailor on
either side. Second, Miss Grace
Gerry as "Liberty Enlightening the
World," with a flaming torch in her
hand. A very sweet little "Soldier's
Farewell," John Holmes and Mary
Holmes. Last the Red Cross nurse
with people of all nations holding
up their hands to her, each with the
flag of the nation represented. Ice
cream was served at the close by
Mrs. A. H. Stupert and Mrs. Alice
McDonald. Take it all together the
affair was a success and brought
about \$38.00 into the Red Cross
Society.

Everyone who attended the serv-
ice in the Robbinston Church Sun-
day night greatly enjoyed the ad-
dress by Rev. Charles Gilkey, who
has just returned from acting as
chaplain at the Officers Training
Camp, Fort Sheridan, Ill. All must
have a higher thought of the work
done in the camps than they had be-
fore, and of its effect on the men in
training.

On next Sunday the Rev. G. B.
Ilsey, for many years a pastor in
Bangor, will speak at the morning
service.

On the evening of December third the pupils of the Ridge School gave a well rehearsed and well conducted entertainment for the benefit of the boys from this district now overseas. The school house was attractively decorated with evergreens and with festoons and streamers of red, white and blue. The names of the pupils are as follows: Doris Cox, Mina Cox, Francis Cox, Marion Gray, Leona Johnson, Tressie Johnson, Lucy Johnson, Marion Johnson, Clarence Johnson, Walter Mains, Ernest Mains, Vera McNutt, Raymond McNutt, Frank McNutt, Ralph Spearin, Ethel Spearin, Helen Spearin, Marion Freeman. The money received was \$7.00, Mrs. Gray giving one dollar and a number of the pupils more than the regular admission fee. Their teacher, Miss Coombs, and they were well pleased with the result of their efforts and enthusiasm. Members of the Red Cross Society will gladly purchase the yarn and assist in knitting the articles to be made.

On Wednesday, the fifth, the following women became members of the Red Cross: Mrs. Abraham Johnson, Miss Ella Brown, Mrs. Hugh Murphy and Mrs. Ingersoll. Other names are requested for the Christmas membership list. Call and leave name and fee of one dollar with the secretary, Mrs. Charles Armstrong, at the Hunt house or send by mail.

Ernest S. Morrell, U. S. Naval Training Station, Newport, spent Thanksgiving with his parents, Mr. and Mrs. E. L. Morrell, and called upon many of his friends. He is in full accord with his life there, and mentioned with great appreciation the work of the Y. M. C. A.

John Warren Robinson, of the transport President Lincoln, on his return from France reached New York in time to go to Boston for the Thanksgiving week-end with his father and aunt.

Letters have been received by relatives from Earl Thompson, John Gardner, Melvin McNutt, Horace Johnson, Edward Somers, all in France.

Miss Mabel Gardner, after a short visit with her parents, has gone to Milltown, N. B.

Miss Muriel Cleland has closed her third term in the school at Mill Cove and will reenter Washington Normal School at the beginning of the year.

Miss Louise Cuyler Gerry of Buffalo, N. Y., is spending several weeks at her home in Robbinston.

FROM A CALAIS BOY IN THE NAVY

Thursday, February 21, 1918.
My dear Mother:

I just returned from five day's leave at London, and you can imagine how much I enjoyed myself. I took in all the historical places, in fact saw practically everything that we have read so much about, but there was one thing that I did not experience, but which I wish that I had, and that was to be in London during an air raid. I would certainly like to experience such a thing. I was all through the famous Tower of London; had everything explained, saw the block upon which, kings and queens have had the honor of having their heads cut off on for the past centuries. The axe which has did the bloody work was sticking in the block. Probably you will remember more about the place, when I mention the name of Mary, Queen of Scots. Upon the block there are no bloodstains of course, but it is worn very much as you will see from the picture in that little book I sent to Andrew. In that book you will perhaps notice a picture of Lady Jane Grey, who is about to have her head taken off. I stood right upon that spot, it is just the same as it was in those days or so the fellow who was explaining things to us said; "ye goode olde days." I was also in St. Paul's Cathedral, the largest cathedral in the world; also Westminster Abbey, where famous men, members of the Royal family and statesmen and poets are buried. I went out to see the King's stables and spent nearly three hours looking over the fine horses and wonderful gold chariots. I was also to Buckingham Palace. In fact I had some trip and saw things that I will never regret seeing.

I think I received a letter from you several weeks ago. I suppose there are not many boys left around Calais now. Is war bread in vogue yet? How is the coal "hanging out," as Ephraim used to say? Is sugar still as plentiful as ever; as scarce as gold dust over here. I can imagine it must have been very cold at home this winter; lots of skating, I suppose. I would like to be there to have several bands with someone I know.

Is Charles still hunting the furred creatures. It's far better sport hunting them, tell him, then playing hide and seek with Frittle, but this is war time, so away with pleasure, and shoulder the burden, and after him to win.

Well I will have to close. Give my love to Pa and the family, including the newly weds. Send me some home made candy if you like and I will remain,

Your loving son,

RALPH H. CHRISTIE.

An Iowa school teacher, suspected of disloyalty, was dragged to the Court steps by his fellow townsmen, the other day, and given a coat of yellow paint.

LOCAL AND GENERAL

Ernest C. Brown of Robbinston has recently purchased of Broadmoor Farm, Portland, a young, finely bred Jersey bull calf of the Orol Interest breeding. His dam is a young cow whose two grandams have official records of high standing throughout New England. The sire is Darling's Interest Orol whose grandsire is Interested Prince Imp, being sire of 36 daughters in Register of Merit class, including Passport, the World's champion Jersey cow for milk. Three of this bull's close ancestors are making over one thousand pounds of butter a year. They are Spermfild Orol's Eva, 1168 lbs; Spermfild Orol's Temesia, 1029 lbs; Temesia Orol's Rosa, 1016 lbs. Mr. Brown is starting a purebred herd, having purchased three registered Jersey heifers last fall of good blood lines.

Mr. E. W. Morton, the new dairy specialist for the Agricultural Extension Service of the University of Maine, will attend a series of dairy meetings in Washington County during the week of April 1-6. These meetings will be held as follows: Monday, Alexander; Tuesday, Princeton; Wednesday, Calais; Thursday, Perry; Friday, Lubec. Mr. Morton will take up the relation of the dairy industry to the present war emergency, and point out some of the ways in which the industry can adapt itself to the serious conditions which now confront the farmers of this country. Among the topics discussed will be the care of growing calves, and home grown feeds. This will be Mr. Morton's first trip into the county and he hopes to meet as many dairymen as possible, that he may get acquainted with them and their problems and so be of the utmost service to them in the future. He will be accompanied by the county agricultural agent, C. A. Day, Machias, who has arranged for the meetings.

Francis William Wood and Frances Mae Spinney were married Wednesday evening at the home of the bride's parents, Mr. and Mrs. Frank P. Spinney on Wilson St., Brewer. The house was decorated very artistically in green and white crepe paper festoons on the ceiling and evergreens was used as a border. White paper chrysanthemums were used with the evergreen to carry out the color scheme. The archway between the living and dining room was decorated with evergreen and a white wedding bell was suspended from the center. The bridal party came down stairs to the strains of Lohengrin's wedding march, which was played by Miss Ethel Fogg of Dedham. They took their places under the bell where Rev. E. M. Cousins of the First Congregational Church, was waiting. Mr. Cousins performed the ceremony at 8 o'clock, the double ring service being used. The bride was attended by her sister, Miss Gladys Spinney and Chester Clapp acted as groomsman. The bride was most becomingly gowned in old blue pussy willow taffeta and carried a shower bouquet of Killarney roses and white lilacs. The bridesmaid was dressed in dark blue taffeta silk and carried a bouquet of American beauty roses. About forty relatives and friends were assembled to witness the ceremony and stayed to the informal reception Mr. and Mrs.

It will be of interest to those who bought tickets for the moving picture benefit and were unable to attend, to know that \$25.39 was the net sum realized by the Red Cross auxiliary. This, with a gift of one dollar from Miss Stella Pottle and a gift of one dollar from Mrs. Dresser, as well as half of three membership fees made available for expenses \$28.89 received during the month of March. The new members are Mrs. James Jollotta, Mrs. Charles Robinson and Miss Eleanor McCauley, making the total membership 132. The supplies purchased for the month were cotton, yarn and gauze. The cost of yarn alone for one month often exceeds \$25.00. The work done is as follows: 35 pairs Socks, 4 Helmets, 1 Sweater, 7 Pajama suits, 6 Surgical Shirts, 100 gauze compresses, 1 Quilt, 5 Comfort Kit bags. The gauze situation has improved and there is a good supply for April. There is unfinished work in both sewing and knitting departments. The auxiliary is very grateful to Miss Ellen Byrne for the use of a sewing machine for a few weeks at the vestry and also to Mrs. Henry Poor for a sewing machine to remain permanently; Mrs. Warren Spearin's kindness in quilting and furnishing one quilt is very much appreciated. Miss Ruth Carson has generously consented to equip one comfort kit. There are now on hand tops for four quilts, given by Miss Maud Spearin, Mrs. Gray, Mrs. Warren Stanhope and Mrs. Ruth Allen Sharman. Mrs. Sharman is 84 years of age and has a son with Co. I., also a grandson with the B. E. F. She was eager to do her "bit" and the auxiliary is pleased to receive this gift from her as well as the gift from the other ladies. Squares have been received for a third crazy quilt. All help is gratefully acknowledged. Mrs. Gardner sent in the greatest number of squares. Her youngest son is overseas. It is very good to note that as many as could be informed, on short notice, generously responded to the call for clothing, and a box was packed at the vestry for relief in Belgium and forwarded to the Commission by the way of Calais Chapter.

At the last meeting (there were but three during the month) a question in the department of Home Service, A. R. C., came up for discussion. Any work along this line will be gladly investigated. It was verily a "red letter day" to all present, since recent letters had been received from nearly all the boys in active service. The following is a message to all who contributed to the Christmas box fund: "Those Christmas boxes were ~~delivered~~ to us all and every one was proud to have the kind thoughts of the people of our dear town on Christmas Day in a strange land. Please speak to the Red Cross and tell them one and all we are thankful for their kindness in word and deed, as we always feel we are in debt to you dear people, but hope some day we can repay those who have thought of the boys over here. You people are trusting us so great that, I assure you, our best will be your reward. Your true soldier, Private Horace M. Johnson." Another message came in the same mail: "It will be pleasing to you and to all whom the boys know that there isn't a complaint that we could make about our welfare and comfort while we have been in a strange land with a strange people. How pleased the boys were to get those boxes from dear people at home, not for the want of those things in one respect, although sometimes we did need more than we got, but we knew those things were from home and tender care worked them up for our comfort. We wish to thank one and all for your tenderness for the boys of the rank and file. There has been great work done by the dear mothers for the Red Cross, who have their sons over here in this "unsettled conflict" as the Tommies say. The school was a great surprise to us. How could those children know our needs over here. We are sorry to say we have not received their sweaters yet but will sometime in the future. They sure are very sympathetic with their friends. We thank them greatly and we hope there will be a quick return, bringing with us all who left the town and feel once more the peace of the world and honor agleam. Thanking you and all of our town, I am, your soldier, Private, 1st class, Melvin McNutt. A very interesting letter from William Campbell was read. Also a card of acknowledgment from a Lieutenant of the A. E. F., who received Mrs. Steupart's donation to the tobacco fund. It was enjoyed by all present. Word has been received of the safe arrival of John Brown overseas.

Appreciation is expressed to the Committee on Food Conservation for the literature sent out and gratefully received.

Much credit is due some of the boys of Calais who are not old enough to go to the front by the way they have responded to at least one appeal for money. Last November when the drive was on for funds for the Y. M. C. A. nine boys averaging a little over 15 years of age pledged ten dollars each to be earned and paid by April 1st. Some of the money was earned.

Ald. Lord and Clair, who were on duty of making and the charges that for large quantities had either not been been stolen, report careful investigation to the conclusion paid for by the city legitimately or was storage. The report.

LOCAL

Robbinston celebrated Patriots Day very fittingly. L. E. Holmes is the chairman of our Loan Committee, and it is due to him and to his efficient corps of co-workers that such splendid success was attained. Thomas B. McDonald and Howard Fisher made a house to house canvass and they accomplished results that must have been very gratifying indeed. Miss Edith Gerry, also Miss Laura Somers Red Cross Committee, gave special aid, with the result that at the end of the day, they had 41 subscribers with a total of \$8,650. Not bad for one day's work in a country town of about 700 inhabitants! There are still some parts of the town to canvass and the drive will be on until every one has had a chance to subscribe or refuse. We feel sure there will be few of the latter. The people of this community ought to feel proud, with their allotment less than 1-3 of the amount of the subscriptions and with a contribution of nearly 30 of our young fighting men, 14 of whom were volunteers and with many of them now on the fighting line or somewhere in France, we have cause to feel proud. We have shown our shown our ability to "Go over the top". It seems to be all we can do while our boys are performing a like service "Over There". Robbinston not only went away "over the top" on her Liberty Loan allotment but she also has the distinction of another victory on Patriots' Day for while our chairman was doing his "little bit" one of his boats arrived with a load of fish, this being the first taken by any factory in Eastern Maine. This will mean gladness to many people in town who have waited most patiently for the opening of the season, and we most heartily hope the coming season may be one of great success to our chairman, as well as to his many employees.

Mr. Nicholas Jollotta, for many years a resident of this town is seriously ill at the home of his son, Roland Jollotta.

A number of autos are seen in the road every day now, although as yet, few have gone beyond Red Bench. The village road is in fair shape.

Many cases of grip prevail in town, and our doctor is kept quite busy.

The many friends of Mrs. Hattie Vose will be glad to know she is on the road to recovery.

School opened Monday morning after five weeks of vacation.

Miss Winnifred Trimble is teaching the primary grades for the spring term.

Mrs. Elmer Rigby and children returned to St. Andrews last week after a visit of several days with Mrs. Rigby's father, Archie Trimble.

Everett Vose has accepted a position as clerk in the store of S. E. Cox. George Freeman and wife, Mildred Quinn, Helen Hitchcock, and Mrs. Edgar Campbell all arrived here Monday evening for the winter in Boston.

Work is being rushed on the interior of our new restaurant, and every body is looking forward to the time when they can drop in for a cup of coffee and a doughnut. There can be little doubt as to the success of a place of this kind if run properly, as it is one of the long felt needs of this town. Cleanliness and good plain wholesome food will be the essentials to make the undertaking a great success.

Miss Whitney of Milltown, Me., is the new principal of our village school.

Do not forget the Red Cross meetings Wednesday afternoon. Everybody is welcome and your services are needed. Hospital supplies and socks are needed mostly now and we hope all who can knit at home will do so. Yarn, needles and instructions will be furnished gladly by Miss Annie Lamb who has charge of this department.

Moving pictures continue Saturday evenings and are most excellent. The best of order is maintained by Mr. Hayden. Should this continue we do not see why we need to go to Calais or Eastport to attend the pictures. Stay home and patronize your town trade.

It was with a deep sense of loss to the community and to the Red Cross membership that the many friends of Mrs. Prentiss M. Vose learned of her brief illness and un-expected, death. Although as a woman of splendid courage and good cheer her influence lingers still, yet she will be needed more and more as the days go by. Mrs. Vose was a quick and constant worker in the knitting department and will be sadly missed in all her activities for good.

In the vestry close beside "Old Glory" is a framed list of the boys in the Army and Navy. The names were written by Mr. Frank Conant, the frame given by Mrs. Hunt, and made ready by Mr. J. N. Davis. It is an inspiration to the busy workers as they think of these and the many other "modern crusaders."

Wednesday afternoon a very interesting letter from Miss Julia B. Harvell will be read. Mrs. Harvell and Miss Harvell represented Robbinston at the recent Red Cross Conference in Boston.

A letter has been received from Mrs. Ralph Tracy, Manette, Washington, enclosing \$5.00 Mr. and Mrs. Tracy, their son, Bertram, and brother, Foster, being the donors. The gift and good wishes are heartily appreciated. They, too, are "absent but not forgotten." An expression of thanks is due Mr. Gillespie of Calais for contributing a strap for the surgical dressing case.

Mrs. Nathan Campbell, who has two sons overseas, not finding it convenient to attend the meetings regularly, has sent fifty cents with the intention to give this sum each month. Mrs. Valentine Hicks, wishing to do "her bit," has given 2 comfort pillows and 1 hot water bottle cover. This help is appreciated, also the willing work of the pupils of Maple Point school. They have sent 4 comfort pillows and many gun wipes. Would the school children in each district like to collect old kid gloves and deliver at the vestry or to the chairman? The gloves are used in making vests for aviators.

At a recent meeting the call to purchase Third Liberty Bonds was received with enthusiasm. A few days later a letter came to the

A few days later a letter came to the chairman from Mr. Holmes saying: "I have been appointed Chairman of the Liberty Loan Committee. Our allotment is \$2800. Can I enlist the ladies—members of the Red Cross—in an endeavor to raise this amount. If we have concerted action, I believe we can accomplish it." Mr. Holmes was assisted by Mr. T. B. MacDonald, who canvassed the town. At the end of the first day the full amount had been subscribed, and at present Robbinston is entitled to an honor flag with four stars.

"Front line to be sure," as one of the boys wrote home with pride. In the Red Cross drive, beginning May 20th, no doubt the apportionment will be met with eagerness.

After many weeks of waiting a Christmas box that had been returned from one of the training camps was remailed. The acknowledgment was received last week and reads thus: "I thank you and the Red Cross a hundred times for it. I am in hopes to be home some time and then I can tell the people of the town and of the Red Cross what I think of them, for I felt so good when I got the box and believe me I was like a kid."

It is said that Vernon Stiles, recently song leader at Camp Devens, urges all not only to sing America, but the Star Spangled Banner with enthusiasm and spirit. By singing the patriotic songs in communities, the same the boys over there are singing, a wave of thought vibration will be swept across the ocean and the boys will feel it and be cheered and encouraged. Could the music teachers and other musicians have a Sunday evening song service including with the above "Onward Christian Soldiers," and "The Battle Hymn of the Republic?"

In his proclamation to the school
children of the United States on
September 15, 1917, the President
of the United States who is also
President of the American Red
Cross, said, "The American Red
Cross has just prepared a Junior
Membership with school activities in
which every pupil of the United
States can find a chance to serve his
country."

Many times during the past nine
months requests have been received
to organize the children of Robbins-
ton. Blanks also have been receiv-
ed and duly returned with a report
of work done by the pupils. For
each school has done its bit to help
the local Red Cross. Organization
has been deferred because of the fre-
quent changing of teachers un-
avoidable in a rural community.

The latest communication from
headquarters reads thus, "As you
know, when a school has raised a
fund equivalent to at least twenty-
five cents for each child or has given
a pledge to perform Red Cross Ser-
vice and that pledge has been ac-
cepted by the local Red Cross the
school is entitled to enroll as a Jun-
ior Red Cross Auxiliary." Also
any child who is a member of the
Senior Red Cross has by reason of
that membership increased the fund
of his or her school by that member-
ship," and again "Service rendered
by the pupils to the Red Cross also
counts toward the membership fund
of the school."

The people of the community know
what the children have done in ser-
vice, contributions and member-
ship. The Second Red Cross Fund
is proof of their help. When sev-
eral parents were called in a busy
season to leave their work for a
house to house canvass and met a
generous response the children were
alert to do again for the cause they
had taken up with enthusiasm.

The pupils of the Village school
directed by their capable teacher,
Miss Whitney, presented on the even-
ing of June 18 to a full house the

For what they have done, all the

unorganized they will continue to

been doing. A membership cam-
paign is now on and will be reported
later.

The benefit dance on the evening
of June 25 was a success in every
way. The management, Mr. and
Mrs. L. E. Holmes, Mr. and Mrs.
Dall, Miss Somers was fortunate in
securing Gillis' orchestra. The hall
was attractively decorated and the
affair was thoroughly enjoyed. Among
the guests was John Warren Robin-
son, who received a cordial welcome
from his many friends. Twenty-five
dollars was received from the
dance and thirteen dollars from the
sale of a quilt by tickets. It is a
sum gratefully received for the
treasury, near the close of the first
year of Red Cross work.

ROBBINSTON

It is learned with regret that William and Roy Campbell have been injured in battle. They write cheerfully of their condition.

Corporal Robert G. Newman, 26th Division, 103rd Infantry, returned from France some time since but only recently arrived home on a 30-day furlough. He is a glad visitor to his parents and friends.

Robbinston has a long honor roll of valiant boys and is unforgetting in appreciation and sympathy for all overseas and in training. The letters from France emphasize the need of quick and constant devotion at home. What will the town do for the Fighting Fourth Liberty Loan? And how is the W. S. S. allotment being met?

All the year the Red Cross has been self-supporting. There are now 160 members. Is each one doing something every week to help? There is great need of it. Sometimes the allotments for work at the vestry are late in coming but there is always need of personal interest and enthusiasm and much to be discussed. Very soon word for winter use will be needed. Any advice will be gladly received as to ways and means.

There is literature to be given away. The new subscribers to the Red Cross Magazine are Mrs. L. E. Holmes, Mrs. A. L. Johnson, Mr. Eugene Healey, Mrs. Mabel Burpee, Miss Ione Rice, Miss Helen Cleland. The new annual members are Mrs. Carrie Morrison, Mrs. N. H. Dall, Mrs. Harry Brooks, Mrs. Raymond Morrell, Mrs. Harvey Conant, Mrs. James Lodge, Mrs. Harry Duffin, Mrs. Frank Hibbard, Mrs. Elizabeth Belyea, Mrs. Edna Mulholland, Miss Grace Spearin, Miss Grace Belyea, Miss Vina Davis, Miss Ella Robinson. Renewal Mrs. Idella Lasley. Nearly all the first members have sent in their dues. From a purely patriotic sense of duty Miss Somers has entered Calais Hospital for training, in this way hoping to release some nurse, somewhere for overseas. Miss Somers has had charge of surgical dressings and will be missed. Mrs. Armstrong will assist in her place. Mrs. MacAllister's helpful instructions on two recent afternoons were very much appreciated. Also the special help of Mrs. Johnson and her friends on emergency work. Mrs. Johnson, Mrs. Holmes and Mrs. Olsson have been very thoughtful in giving automobile service. The following gifts have been gladly received: Four silver dimes, Master Richard Hall; one dollar, Mrs. Irving McAllister; one dollar, Mrs. William Blackwood; five dollars, Mrs. F. W. Johnson. Mrs. E. L. Morrell and Mrs. Stupert work materials. Mrs. Frank Lyman (N. Perry) nine pairs of socks. Mrs. Laughlan and Mrs. Rice special service. From Mrs. L. E. Holmes there has been received \$27.63, proceeds of lawn party at her residence. Money on memberships from Mrs. Warren Allen, Mrs. Lyman, Mrs. Seth Lamb, Mrs. McGuire and Mrs. James Brown have been especially helpful with the July allotment, of socks. New work will soon be received. There are pajamas on hand to be finished as early as possible. There are now three sewing machines in the work-room ready for use.
